The Plaintiff in the above matter filed five separate complaints against sitting Superior Court Judges in the State of California. These complaints were filed against John S. Meyer case number S1400CV201200089, Lorna Alksne case number S1400CV201200125, Lorna Alksne case number S1400CV201200129, John S. Meyer case number S1400CV201200127, and Lorna Alksne case number S1400CV201200084. Plaintiff's complaints were filed beginning January 2012 and arise from the named judges handling a variety of civil and domestic relations matters in San Diego County, State of California.

In addition, Plaintiff filed almost simultaneously six additional lawsuits, three against his ex-wife Seideh Mojtahedzadeh case numbers S1400CV201200088, S1400CV201200126, and S1400CV201200091, two complaints against Mahnaz Khazen case numbers S1400CV201200087 and S1400CV201200124; one complaint against Tricia K. Seifert case number S1400CV201200128 and referenced above in the caption. All eleven matters relate to events occurring in California where the Plaintiff and his ex-wife resided.

The two defendant Judges (five cases) and Ms. Seifert all filed Motions to Dismiss based on lack of jurisdiction and judicial immunity. The Honorable Larry Kenworthy Division Three of

1 this court, following a hearing on all six matters, granted relief and dismissed the six cases on
2 April 16, 2012.

3 As part of their motions, the two Defendant Judges requested that this court invoke its
4 inherent authority and find the Plaintiff to be a vexatious litigant and preclude the Plaintiff from
5 filing any further complaints without approval by this court. The Plaintiff was served with the
6 Motion to Dismiss and Motion to Declare Plaintiff to be a Vexatious Litigant. The Plaintiff has
7 not responded to the Motion to have him declared to be a vexatious litigant.

8 In further support of this motion Defendant judges have documented with this court the
9 fact that Plaintiff has previously been found to be a vexatious litigant in a case filed against
10 Tricia Seifert on September 23, 2011 in San Diego County Superior Court. The court then
11 required the Plaintiff, before filing additional actions to obtain approval from the Presiding Judge
12 of the San Diego County Superior Court. Multiple other complaints against the same and/or
13 related parties have been filed in San Diego County. Additionally Plaintiff filed a Petition for
14 Injunctive Relief in the City of Yuma Municipal Court against Lorna Alksne, on December 11,
15 2011 which was granted, but then dismissed ten days later.

16 Furthermore, Defendant judges have also documented that the Plaintiff had prepared a
17 complaint to be filed in Federal Court against another sitting San Diego County Superior Court
18 Judge Steven Denton, and has recently filed a Complaint against him and another sitting San
19 Diego County Superior Court Judge, Christine Goldsmith, in La Paz County Arizona.

20 Furthermore, Defendant Judges have documented the fact that the Plaintiff uses the
21 aliases of: Esmacil Haghro and Hossein Farshihaghrou in a number of complaints both in and
22 out of the State of Arizona.

23 Finally, in all complaints filed by the Plaintiff here in the Yuma County Superior Court,
24 the Plaintiff has sought and obtained a waiver/deferral of filings fees.

25 This court, through the undersigned as the Presiding Judge, has the inherent authority to
26 prevent the abuse of legal process and to preserve scarce judicial resources by dismissing facially
27 invalid or frivolous claims and to preclude a vexatious litigant from filing any new lawsuits
28 without first obtaining the undersigned's permission.

1 The complaints filed by the Plaintiff which were found to be frivolous and facially
2 deficient and dismissed by Judge Kenworthy and the documented legal history of the Plaintiff
3 both in California, Yuma County and now La Paz County, compel this court to invoke its
4 inherent authority in finding the Plaintiff to be a vexatious litigant.

5 **IT IS ORDERED** effective immediately, making permanent the court's previous
6 temporary orders dated March 8, 2012, that before any court within Yuma County accepts any
7 action for filing by the Plaintiff, that the Plaintiff first obtain approval from the undersigned
8 before the same is filed. In the event the Plaintiff attempts to file an action, the respective Judge
9 or Clerk of Court shall contact the undersigned for appropriate review.
